Glendale's Barrel District

May 20, 2016

Greetings!

Here are two upcoming events I think you would like to know about:

Learn Landscape Irrigation Basics This Saturday. In the desert, efficient watering is important to the health and vitality of your landscape. Learn how to program your sprinklers and address all these common questions by learning the ins and outs of your irrigation system at the city's "**Irrigation Basics Explained**" workshop from **10 a.m. to noon**, at the Glendale Main Library. See below for complete details.

Free Bubble Bash in Glendale. Westgate Entertainment District is celebrating International Bubble Blowing Day in style. More than 20 different machines will be blowing bubbles. Some will be colored, while others will actually have smoke inside them. When the bubbles pop, a burst of smoke will appear.

Bubble Bash will take place at **Westgate's Fountain Park on Saturday from 11 a.m. - 1 p.m. Admission is free!**

Have a great weekend!

I Want To Hear From You!

Please feel free to share any comments, suggestion, or feedback. If you have a concern in your community, please let me know and I or my staff will do our best to assist you. I value your feedback.

Serve On A Glendale Board Or Commission.

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council.

For more information, please contact **Kriss Carneal** at **623-930-2814** or email her at kcarneal@glendaleaz.com.

City Announcements

Citizen Police Academy. The Glendale Police Department is accepting applications for the Fall 2016 Citizen Police Academy. This free academy allows citizens of Glendale and members of the business community to experience an inside view of the Glendale Police Department and the different roles and responsibilities of both our sworn officers and civilian employees. During the 12-week program, attendees will meet the men and women of this department, see what they do to help make our community safe, and even get some hands-on experience with the tools and equipment they use.

City-Wide Events

Landscape Irrigation Basics On May 21. In the desert, efficient watering is important to the health and vitality of your landscape. If you haven't inspected your irrigation system for leaks, now is the time! Still confused about that timer? Learn how to program it from an expert. Address all these common questions and get your plants ready for the summer heat by learning the ins and outs of your irrigation system at the city's "Irrigation Basics Explained" workshop from **10 a.m. to noon, Saturday, May 21**, at the **Glendale Main Library**.

An irrigation expert will outline the basic components of a typical irrigation system, how to make simple repairs, and why it's important to adjust your irrigation timer seasonally. Understanding how your irrigation system works can help you protect your landscape investment
